We are excited to be rolling out our Willett Way Program this year! The goal is to promote a positive learning environment for all students.

The Willett Way program is based off of the PBIS framework.

Positive Behavior Interventions & Supports

The Willett Way Program is based around Willett's Core Values. It is a school wide approach focusing attention on positive behaviors. There will be clear expectations and consistent language across the schools, district-wide.

At Willett Elementary we are

- ★ Safe & Secure
- ★ Respectful & Responsible
- ★ Positive & Productive
- ★ Kind & Courteous

Throughout the year, there will be Community Meetings, and school wide events where students will be recognized for their positive behavior.

To learn more, check out:
<http://www.pbis.org/family>
<http://www.pbis.org/school>

When students understand how to reflect The Willett Way core values, they will earn tickets for their positive behavior. Staff members will distribute tickets as they see students being honest, respectful, responsible, and ready to learn.

There are a variety of exciting incentives students will be able to redeem their tickets for, such as: lunch fast pass, 1st choice recess equipment, lunch VIP table, etc.

Parents are encouraged to use the same clear, consistent language at home:
