Attention Parents!

2017-2018 Willett School PTO

Kindergarten Supply Kit Fundraiser

Tired of rushing around the day before school begins, shopping for school supplies, wasting time and gas looking for deals?

Let the Willett PTO do your shopping for you! We are so excited to start offering this service for the next school year. All grade kits are the same cost and close to what you would pay (or less!). We price the supply kits by researching average sale prices at local stores. By purchasing throughout the year and in bulk, **this PTO service and fundraiser** is able to make savings, which are returned to the students through PTO sponsored activities and supplies. Let's see how close we can get to 100% participation!

Supply kits purchased will be labelled and waiting for your student in their classes to put in their tray on the first day of school.
Thank you for supporting the Willett PTO!
